

Travel tummy?

IRB Approval Date: June 4, 2025

PARTICIPANTS NEEDED FOR A SHIGELLA & ETEC VACCINE STUDY

We are testing an investigational oral vaccine called ShigETEC, to prevent diarrheal illness caused by shigella and ETEC bacteria that cause traveler's diarrhea.

Who is eligible?

If you are a **healthy non-pregnant** adult between **18-50 years**, you may be eligible for the study

Time commitment

This study occurs up to approximately 1 year with a **10-day inpatient** stay, **6 outpatient visits**, and **4 phone calls**

Participation benefits

If you enroll you may earn up to **\$5,100**

INTERESTED?

Please email bsph.projects@jhu.edu or call 410-955-7283

The doctor for this study is Dr. Kawsar Talaat. All clinic visits will take place at the Center for Immunization Research.
